From The Chair

Greetings Brethren,

A chill grows in the air, Autumn is in full swing, and so are we!

I would like to congratulate and thank all the Brethren of Kilwinning, who worked so hard to ensure that our visiting Brethren from Pontiac Lodge no. 21, Michigan had a tremendous time.

From the amazing welcome we were able to provide, to the meals provided at the temple, and the most excellent degree work performed. I was so incredibly proud of all of you, and the incredible efforts invested. The

Pontiac brethren, by all accounts, had a most excellent time. That is all thanks to you my Brethren!

See pictures on the next page.

As we move into November, we still have much work to do.

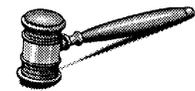

Our November regular meeting marks our annual remembrance ceremony. While it is a solemn occasion, it also affords us the opportunity to recall happy memories of brothers who have laid down their working tools, and passed to the Grand Lodge

above. Please do your best to attend, while we pay tribute to all of those departed brethren, who attended this fine fraternity, for our benefit.

There will also be balloting for membership of Mr. Ronald Carvajal and voting on Affiliation of Bro. Kyle Reaburn.

See you all soon!

Fraternally yours,
W. Bro. James Low

Words of Wisdom

"If you would know a mystic, do not confine your search to monasteries and temples, but look also on the highways and byways, in towns, hamlets, and in the hustle and bustle of the great cosmopolitan centers of the world. When you find someone who is industrious, studious, compassionate, loved by friends, and neighbors, tolerant in religious views, and who can point out to you the magnificence and efficacy of God in the simplest of things, you have found a mystic. With these qualities, whether one is attired in sacerdotal robe or in the overalls of a mechanic, one is none the less a mystic."

Ralph M. Lewis

"As long as we continue to ignore our divine side and the Divine Wisdom and highly specialized faculties and abilities we have, as long as we refuse to use them or exercise them, we will remain in all of our mental and worldly affairs, nothing more than creatures of the animal kingdom. Religions say we should put our faith in God, but [...] we say that we should put our faith in the Divine Consciousness, the Divine Wisdom and the Divine Powers that we all possess and which reside within each of us and remain more or less undeveloped in all human beings."

H. Spencer Lewis

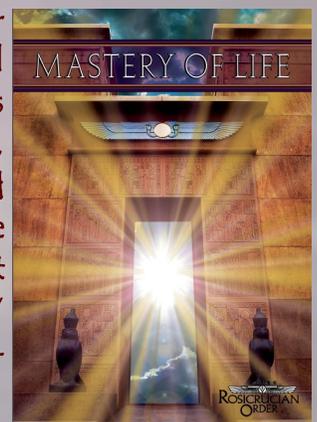

"There is nothing so inspiring, so filled with peace, happiness, perfect health, joy, and contentment as the development of the spiritual nature."

H. Spencer Lewis

Are you seeking the spiritual wisdom necessary to experience the connectedness with the miraculous world around us and to develop Mastery of Life.? The Rosicrucians Order AMORC is a community of mystics who study and practice the metaphysical laws governing the universe. Much of the material in the Rosicrucian teachings cannot be found anywhere else. If you wish to walk the path of the mystic, then contact AMORC at <https://www.rosicrucian.org/rosicrucianism> and

Bunny Chow

What is bunny chow? Well, it's a spicy curry served inside a huge chunk of hollowed out bread - it was designed to be a portable dish, you eat the curry out of the bread 'dish' and then you can eat up the bread that has soaked up all the curry juices. Popular in South Africa.

Ingredients

- 2 tbsp vegetable oil
- 1 medium onion, chopped
- 4 garlic cloves, crushed
- 1" piece of ginger, peeled and grated
- 1 red chilli, deseeded and chopped
- 1 tsp turmeric
- 1 tsp garam masala
- 1 tsp ground cinnamon
- 1 tsp ground cumin
- 1 tsp curry powder
- 1 tsp salt
- 500g ground beef
- 2 tbsp tomato purée

- 300ml beef stock
- 1 x 400g can butter beans (or pinto), drained and rinsed
- 2 small crusty rectangular loaves of bread

Method:

- Heat the oil in a saucepan and then sweat the onions for a few minutes before adding the garlic, ginger and chilli. Fry gently on a low heat until softened.
- Add all the spices and salt and stir fry for a few minutes.
- Increase the heat, and add the ground beef.
- When browned, stir in the tomato purée and pour in the stock.
- Add the butter beans and mix everything together well.
- Bring to the boil, reduce the heat and simmer for 30 minutes.
- Cut the loaves of bread in half and hollow out the inside - reserve the bread you've removed.
- Divide the curry mix between the chunks of hollowed out bread and top with the bread filling.

Reflections

The Newsletter of the Committee on Masonic Education is published quarterly. Its goal is to make available articles and presentations written for Masons of Ontario.

There is no longer any cost for this magazine as it is included in the Ontario Mason publication, which is emailed to you, and can also be found on the Grand Lodge website. Back issues can also be found there.

Reflections is always seeking articles about Freemasonry written by Freemasons. Please submit them to its Editor, Bro. Andrew Douris, F.C.F., e-mail: deo-non-fortuna@hotmail.com. Articles are often approximately 1,200 words in length. Articles of special merit might be printed in sections over several issues while short articles provide an excellent resource for a brief Masonic Education moment in Open Lodge.

Please adhere to the following deadlines for submissions: Fall issue = August 1, Winter issue = November 1, Spring issue = February 1, Summer issue = May 1.

College of Freemasonry

The Grand Lodge Committee on Masonic Education offers interesting Correspondence Courses on Masonic Education throughout this Jurisdiction which is comprised of nineteen different modules.

Any Master Mason may take any module individually for \$10.00 each

or they may wish to complete a course of study for a set fee. If a Brother takes an individual module today, and decides to complete a course of study later in time, he will be accredited with the module he has completed prior. In other words, he does not have to pay for or re-write what he has already completed in the past. There are three courses of study offered by the College of Freemasonry:

1. "The Masonic Arts and Sciences" course (eighteen modules).
2. The "Past Master's course" (eleven modules)
3. The "Worshipful Master course" (eight modules). Any Brother looking to run for the DDGM of heir District or Grand Registrar, the course required by the Book of Constitution, Section 50(b), is the "Past Master's Course". This course is also great for those looking to be a District Secretary.

For those who wish to pay by cheque, please send it to W. Bro. George Warner, 4010 Chadburn Crescent, Mississauga, ON, L5L 3X2. For those who wish to pay via credit card, just fill in the application form and send it to masonic.college@gmail.com, and the Brother will be emailed payment instructions through Paypal (an account is not necessary). If any Brother has any questions, they may email R.W. Bro. Rick Cadotte, FCF, Principal, College of Freemasonry, masonic.college@gmail.com.

Heritage Lodge

Heritage Lodge No. 730 G.R.C. was formed to provide an intellectual environment for the pursuit of Masonic knowledge and also to provide a means for receiving and recording historical artefacts to ensure the preservation of our Masonic Heritage without encroaching on the normal functions of Constituent Lodges.

Heritage Lodge accepts, by affiliation in the usual manner, all Masons of like-mind, desirous of working together to fulfil the aims and objectives established by the membership.

The Lodge Secretary is V.W. Bro. Arnold (Mac) McCausland, e-mail: secretary@heritagelodge730.ca. The fee for Affiliation is \$ 55.00 and the annual dues are also \$ 55.00.

Esoteric Handbook For The Fellowcraft Mason

This book is aimed, primarily, at the Mason who has passed to the Second Degree, but it is also for those older Masons who have not delved into the depth of meaning in Masonic ceremonies.

As Freemasonry is a system of morality, veiled in allegory and illustrated by symbols, this book takes a look at what those allegories and symbols are hinting at.

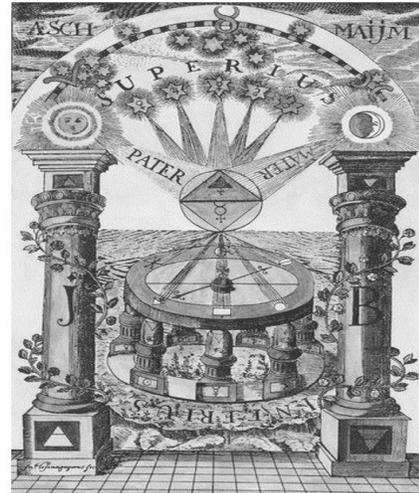

This book delves into the layer of meaning in the ceremony of Passing, beyond the obvious moral lessons, and points the Mason who seeks light towards a more spiritual understanding of himself and the reason for his existence in this world, and an understanding of the true meaning of the hidden mysteries of Nature and Science.

This is the second of three volumes, each aimed at one of the three Craft Degrees.

Mystic Masonry

Freemasonry is regarded by Masons as the science of knowing oneself. As far back in time as the ancient Greeks, the ancient Egyptians, even to Atlantean times, Mankind has sought to acquire knowledge of

human nature, and the purpose of human existence. This has always led to an orientation of the seeker of light towards knowledge of the Creator. Freemasonry exists for just this purpose. This may be denied by many Masonic Brothers who

have not meditated on our rituals, who have not heard the messages embedded in them wanting all Brethren to look behind the veil.

There are reasons why every symbol and every allegory in Freemasonry should be deemed important to a Mason. Knowledge can be preserved in symbols and, often, those that preserve them can be ignorant of what they preserve.

For those who continue to search for the deeper meaning behind Masonic symbols, consider yourself more enlightened than those who do not seem to understand the words "veiled in allegory and illustrated by symbols".

The Craft's symbolism is a system of great depth, and only appears simplistic to those who view it superficially. However, when we research industriously, the true light of Freemasonry will unfold.

This book brings to light some of the deeper meaning behind Masonic symbols.

Esoteric Handbook For The Entered Apprentice Mason

This book is intended to make known, to the newly initiated Mason, those esoteric principles that underlie our amazing Masonic Degree rituals.

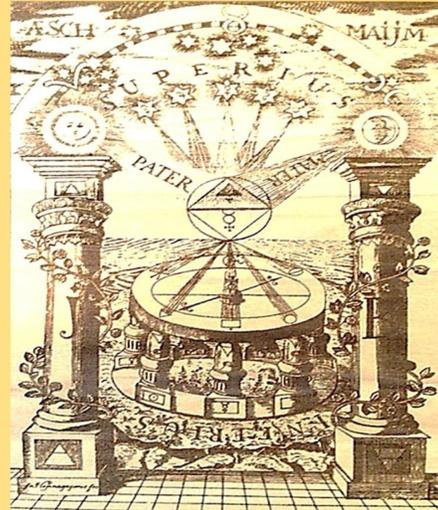

It is the first of a series of three books, each dealing with a specific Degree.

These books are intended to provide a deeper insight to the ceremonies beyond what appears on the surface. Once the moral lessons have been learned and assimilated, the Entered Apprentice Mason can now start peeking behind the veil and delving into the secrets and mysteries of Ancient Freemasonry.

It is hoped that this book will satisfy the craving for knowledge that is being demanded by our younger Brethren, who seek answers to everything within the Craft, and who seek meaning to their existence.

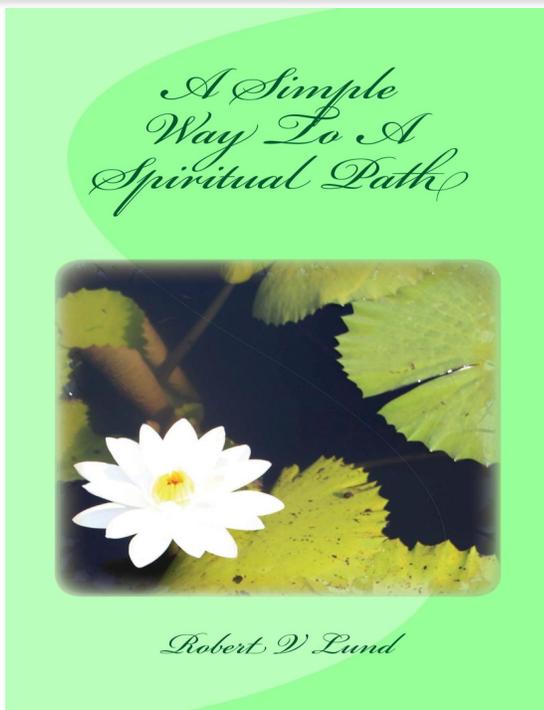

This book also contains extracts from both of my first two books: *The Hidden Code in Freemasonry* and *Mystic Masonry*.

A Simple Way To A Spiritual Path

This book is aimed at those who would like to be more spiritual and wish to start on a spiritual path in a simple, easy to understand way but are not sure how to go about it.

I offer this simple guide to the "beginner", without complexity, without new age nonsense, without a lot of words, to help those who are seeking the way.

I have deliberately kept this book as short and concise as possible in order to help the reader to be able to keep the salient points in mind and not be overwhelmed with this knowledge.

Included in this book is the
SECRET TO HAPPINESS!
